

Objetivo

RPS Total Return é um multimercado, sem viés preestabelecido e focado no retorno absoluto. O fundo procura obter rentabilidade superior ao CDI através de estratégias com instrumentos de renda variável e renda fixa.

Política de Investimento e Público Alvo

O Fundo se baseia na identificação de distorções de preços entre ativos tornando o fundo menos dependente de movimentos direcionais de mercado.

O fundo é destinado a Investidores qualificados.

Rentabilidade Acumulada vs. CDI

Rentabilidade (%)
